

Heytea menu

The [Heytea menu](#) is well-known for its wide range of innovative and refreshing beverages that combine traditional tea culture with modern flavors. One of the most popular categories is the **Cheese Tea series**, which features freshly brewed teas such as green tea, black tea, and oolong tea topped with a smooth, slightly salty cheese foam. This unique blend creates a rich contrast between creamy and refreshing flavors, making it a signature offering of the brand. Another important part of the Heytea menu is the **Fresh Fruit Tea collection**. These drinks are made using real, high-quality fruits like mango, strawberry, grape, and grapefruit mixed with premium tea bases. They are light, fruity, and naturally sweet, making them a favorite choice for customers who prefer healthier and more refreshing drinks. Popular options often change with the seasons, keeping the menu exciting and dynamic. The menu also includes a variety of **Milk Teas and Lattes**, which are richer and more creamy in taste. These drinks often include ingredients like brown sugar syrup, matcha, or fresh milk combined with chewy toppings such as pearls, jelly, or pudding. This category is especially popular among people who enjoy sweeter and more indulgent beverages. In addition, Heytea allows customers to customize their drinks by adjusting sweetness levels, ice quantity, and toppings according to personal preference. Seasonal specials and limited-edition drinks are also frequently introduced, ensuring there is always something new to try. Overall, the Heytea menu is designed to offer a perfect balance of creativity, quality, and variety for modern tea lovers.
